

Intro

„A journey into the past, to understand yourself now, so you can create the future and relationships your heart truly deserves and desires.”

Are you the one girl always jumping out of the frying pan into the fire? Are you the one always attracting the partner who already has a partner? Or the man who really does not want to live in a relationship, and just wants some fun while you crave more? Or the partner who is cheating on you all the time? **Then this eBook is totally for you.** Welcome!

I can show you, in this easy but deep-diving step-by-step-guide, how I transformed my very own relationships from boyfriends who cheated on me with prostitutes to the point where I attracted my soulmate and found myself in my personal happily ever after.

So if you want real relationships and love in abundance and don't know where to start, this is the sign that you were looking for. **Because deep down honey, you know that you deserve so much better.** So so much better.

Readers on my blog and friends have been asking me questions like how did you find your soulmate? Or where did you find him? What did you do? How did you know that he is the one? Well, I have some real information for you sweet soul. I have tips and tricks which I do and did use not only on myself but which I have seen working in lots of other people`s lives too.

On my own journey I went through a lot of abusive relationships and slowly but surely found my way into real love. With myself, my life and of course with my soulmate.

I cannot predict your future but I can show you what worked for me. And yes there are people thinking finding your soulmate is something very seldom extraordinary that happens once in thousand years.

I don't think so. I believe if you make it a priority in your life, it happens. If your soul craves exactly that love which gives you chills, which wraps you in a layer of smiles, marshmallows, laughter, the kind of love that makes you stop dreaming and start living it, because it is here. The kind of love which gives you the feeling that everything is possible. The main point about this book is how to attract a wonderful soul into your life. And I tell you all the reasons why you probably do not have the one in your life yet. And of course I tell you about how you can change that.
